PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Art Unit: 1612

Continued: invention is not a proper response to the 'nonresponsive amendment' letter sent by the office on 10-12-07 since no amendments were made to the claims conforming to the originally presented claims (originally presented claims were aqueous dispersion claims whereas the newly presented claims were cationic lipid claims).

Applicant can revive the abandoned application by filing a grantable petition according to rule 1.137, Revival of abandoned application (See Patent Rules, MPEP).
